### **Message from the President.**

Firstly I would like to congratulate the Green staff on the condition of the Course. We have had a lot of good comments from visiting teams playing at Whitstable and those same comments were made this past weekend on Men's Invitation day. So well done to Steve & Seth.

For your diary, don't forget the re-arranged Captains day on the 23<sup>rd</sup> July. I know Bob is looking forward to welcoming you all to play and attend the evening, so put your name up on the notice board in the foyer.

As for Men's Presidents day on the 31<sup>st</sup> July the list is up for a 27 hole Greensome. I look forward to seeing you there. Not forgetting another very important day in my Presidents year is Ladies day on the 9<sup>th</sup> August. This is an 18 hole competition followed by lunch and I look forward to welcoming the ladies on that day too.

Regarding last month's golf week, I know it's been said before during Friday's presentation evening but I would like to once again thank all the people who volunteered in the caravan and those who stayed behind each evening to enter cards onto the computer and organise the next day's play list. For those who haven't yet taken part, next year give it a try. It's very rewarding to experience how the week works, as this event is unique to our great little club.

It is at last beginning to feel like summer, the last couple of day's have seen the back of the very cold wind so let's hope it has disappeared for the next three or four months, So enjoy it while we can.

Happy golfing.

John.

### **Captains Message**

Jack Hicks at Tunbridge Wells

We set off for this fixture confident in our abilities and the team we had selected and whilst everyone tried their best, the morning foursome result of two and a half to one and a half in their favour didn't give us enough impetus to triumph in the afternoon singles. In all but two singles matches we were giving shots which around this course is extremely difficult and proved too much for us and we eventually lost 3-9. Well done to all who participated and thanks for your efforts, perhaps next year?

Unfortunately the Faversham match has been cancelled by them as they couldn't field a side. This will be re-arranged and I will let you know when. Men's Invitation day is on July second, I hope the weather keeps fine for us and we have a great day.

Captain's Day is on July 23<sup>rd</sup> the entry sheets are up and there will be entertainment in the evening so please support it with your usual enthusiasm.

The Director's Cup was contested on Saturday 18<sup>th</sup> and difficult conditions lead to low scoring from all. The winner with 36 points was Ladies Captain Joan Sykes who as a guest could not win the trophy so it was awarded to me with a fairly poor 34 points!

From the office; June 2016

### **Half day first aid course for members**

Earlier in the year we ran a course for twelve members and have asked if there are any more members who would like to be considered for a second course later in the year. To date we have 7 members expressing an interest, so we need 5 more candidates. If you would like to be added to the list please advise the office. Will be a weekday, time 10am until around 2pm.

### **Property Damage On And Off The Course**

During the year we get a number of claims from our neighbours relating to damage caused by golf balls to their property and cars. The cost to the Club is significant as we have a £350 excess applicable to these claims.

The number of such claims is increasing and so the cost to the Club becomes greater.

Many of the claims come from the caravan site to the left of the 7<sup>th</sup>. Last year we installed a sign on the 7<sup>th</sup> tee to remind members and guests to shout fore loudly if their shot is heading towards the caravan site. Remember that there are children often playing in the caravan site.

We now have a claim for a damaged solar panel on a house to the left of the 7<sup>th</sup> green, which is going to involve a very large claim. There are no entries in the "out of course" book for the incident. If this level of damage continues the cost will have to be taken account with regards subscriptions, so PLEASE make sure all occurrences known to me are written in the book once you have finished your game.

Photographs for the website

As you know the Club website has a section for photographs of interest (clean one's please!) to be posted on it. So now the golf season is in full swing if you have one showing a golfing event at the club or celebration of something like a hole in one, please forward to the office as an attachment to an e-mail (one photo per e-mail please) so we can then get added to website.

### **Pitchmarks**

Over the winter we have distributed over 100 excellent quality pitch mark repairers to members (kindly made and donated by John Wegner). We trust that they are carried with you when playing the course. The green staff are hoping not to have to repair pitch marks this season!

### **Telephone message concerning course conditions/ Messages on Club noticeboard**

Due to some misunderstandings in the past month can we please remind members that the message on the answer phone should be exactly as per the course information boards on the new club sign.

If in doubt the message(s) on the club sign are those that apply to the day in question.

### **Clubhouse Hire**

The clubhouse can be hired by members for events such as birthday parties.

First call on dates should be with the Club Steward and/or the Office to check and whether the clubhouse is free for booking. There is a form that needs to be filled; copies are available from the office. The form needs to be returned at least two weeks before the event.

Our caterers are to be used for ANY food requirements.

There is charge of £125 for hire

**Rainfall figures for golf course.**

These are published on a regular basis on the notice board in the lobby for members to view.

**Start sheets for competitions on the website**

Rather than telephoning the bar or office we now have some start sheets on the golf club website.

If you navigate the page ABOUT US at the top you will see a new icon titled START SHEETS. Click on this to see when you are teeing off.

We have started this process for the Sunday morning competitions, but if the relevant secretaries of sections would like to their start sheets put on the website please contact the office. You will need to give at least several days advance notice of the competition/event to make it worthwhile doing.

**Present;** Malcolm Kent, John Stokes, John Rosser, Steve Suttle, Seth Divine and Rob Davies.

Servicing continues with a few added breakdowns. We think there will be a substantial increase in costs for the maintenance.

**Matting on the 8<sup>th</sup>.**

This was discussed and decided the matting will remain where it is as it has been successful.

**Do we require any more new mats for Autumn/Winter 2016/7.**

There are no plans to lay extra matting at the moment. Awaiting samples of new winter tee matting for evaluation/costs.

**Ongoing Work**

**Railway fence /rabbit fence 5<sup>th</sup>/6<sup>th</sup>.**

Railway fence completed now we are pushing for the rabbit fence to be installed.

**Seth overtime update /priorities for next few weeks. Tree Tek cutting conifers 9th/West cliff date agreed /other items on quote.**

Extra grass cutting and clearing of an area adjacent to 5<sup>th</sup> Tee. The area to be sprayed and considered for further improvement. Tree Tek coming w/c 13<sup>th</sup> June.

**Green Keepers Report**

Greens

The greens are mown daily at a height of cut of 4.5mm. They are regularly verticut which fines down the grass blades and helps to maintain a smoother surface. The greens are sprayed monthly with a mix of seaweed extract and iron, wetting agent and a growth retardant called Primo Maxx which has the effect of tightening the base of the sward. A light topdressing is planned in due course.

General

Fairways were successfully weedkilled at the end of May with areas of semi rough, rough and all the tees being treated this month.

Due to the excessive growth we have experienced this year which has necessitated being very regularly mown, we have as yet not completed all the fairway divotting at the time of writing. This is in hand as well as the more regular tee divotting.

Steve Suttle

Head Greenkeeper

**Golf week.**

A great deal of thanks to the Greens staff for a superb course. Well done.

**Next meeting will be on Tuesday 16<sup>th</sup> August at 10:30am.**

**PLEASE REPAIR ALL PITCH MARKS, AND OTHERS YOU SEE, PROPERLY**

**Junior Section Captain James Green Vice Captain Oscar Bensted**

**Ladies Section Captain Joan Sykes Vice Captain Maureen Davison**

And the sun came out for Golf Week!!! The week began with a medal for the Centenary Cup. Conditions were good and Jean Hudson took advantage to win the day for the ladies with a net 70. Sheila Wyles was second on count back from Mary King, both with net 74. The evening's BBQ and disco were much enjoyed, well done to all those who helped it to run so smoothly.

Sunday's 4 Ball Better Ball was won by the pairing of Mary King and Cath Whitehead from Mel Bashford and Margaret Barker in second.

The flag competition was a close run affair. Louise Tucker won with her final shot just short of the 18<sup>th</sup> green. Second and third was decided by a matter of inches on the 17<sup>th</sup> green, with Mary King marginally closer to the pin than Mel Bashford to take second spot.

Tuesday's stableford saw Mel Bashford take first place in the sunshine with 32 points, Louise Tucker was second on count back from Joan Sykes, both on 31, all finishing in the thunder but without any of the threatened rain.

A joint stableford was Wednesday's competition. The winners were Mel Bashford and Louise Tucker, second Mary King and Pat Bensted and third Sheila Wyles and Jenny Vening.

Thursday's five club stableford was won by Sheila Wyles with 35 points, one ahead of Louise Tucker on 34 and Mel Bashford was third with 31.

The last day was a Pinehurst Greensome and Louise and Jack Tucker were winners of this with 44 points. Nice to see a lady and a junior member coming up trumps!

Presentations were done on Friday night and for the first time in the history of golf week both the ladies and the men's first prize and Golfer of the Week trophies were shared. The ladies prize went jointly to Mel Bashford and Louise Tucker, who finished narrowly ahead on points of Mary King. Well done to Mary Calthrop and everyone else who ensured the smooth running of the week, and thanks to Paul Guilfoyle and Gary Morgan for the lovely paella and chilli which brought the week to a close.

When we returned to the course on the Tuesday after golf week it seemed strange to only have one flag on each green, we'd got so used to there being a red and a yellow one! Jean Hudson won the stableford competition with 31 points, on count back from both Joan Sykes and Sally Lawson.

We then had a waltz competition which we play in teams of three, picking one score on the first hole, two on the second, three on the third, then repeating for the rest of the round. 9 teams played and all enjoyed fine weather and good camaraderie. The top two teams both came in with 64 points and it had to be decided by count back on the last 3 holes that the winning trio were (just) Molly Broadbent, Maz Garlinge and Louise Tucker. Narrowly in second were Sally Lawson, Jean Hudson and Marie Hood. Jean had a fantastic round scoring 40 points on her own.

The annual Jamboree was hosted by Faversham this year with us and Chestfield visiting. Our 7 lady team did as well as they could but were no match for the hosts who won the day for the 8<sup>th</sup> time with Chestfield coming second. We were pleased to get round in the dry and enjoyed a good meal at the end of the day so it wasn't all bad!

And we have to mention our first ladies team victory at home to Sheerness where we won by the margin of 2.5 to 1.5, despite all our ladies having to give large numbers of shots to the opposition! And now we've started winning we can't stop! We followed this up with a win at home to North Foreland, where all our pairs were victorious. Our Captain Joan had to play on her own against 2 of the North Foreland ladies and she still managed to get a half! Well played ladies!

### **Men's Section Captain Bob Ireland Vice Captain Gary Morgan**

Golfer of the Week honours were shared this year after stalwarts John Wegner and John Clarke finished the week with the same points total. Jack

Tucker won the prestigious Centenary Trophy on the first day with a net sixty and Neal Hazel finished winner of the men's medal competition on the same day. It wasn't till Monday of Golf Week that John Clarke put down his marker finishing in third place in the Flag competition. He went on to win the Joint Stableford competition on Wednesday with a brilliant forty-two points that included four birdies and two pars on the first six holes. John Wegner played steadily throughout the week and in the Five Club competition he posted his best score when he finished in third place with forty points. Brian Wyles won that event with a mind boggling forty-three points.

In the monthly medal John Wegner did well again with a net sixty-six. Unfortunately he lost out on count back and had to settle for fourth place. Winner on the day was Junior Callum Buchanan. Playing in his first men's competition Callum played superbly and finished with a fantastic score. His gross seventy-two was the best score on the day and his net fifty-one put him fourteen shots clear of Fred Stokes who ended in second place ahead of Joe Dowdeswell on count-back.

### **Old Salts Section Captain John Wegner Vice Captain Dave Atkins**

June 2<sup>nd</sup> roared in 'like a lion' and made the playing of Weg's Whisky round two qualifying Stableford an interesting day. Coming out on top in the very windy conditions was Roy Percival with 37 points, followed by John Allen on 36 points and third was Malcolm Cane with 34 points. The Captain's Challenge resulted in a very satisfying win for Gary Hartley-Trigg and John Allen by 5 & 4 over Captain John Wegner and Vice David Atkins.

Monday 13<sup>th</sup> June Old Salts played a match against Chestfield Golf Club, it is always a close affair and this year was no exception as the result was a drawn match.

The next match in the summer series was an away match on Monday 13<sup>th</sup> June against Faversham Golf club, the result was an improvement on last year's heavy loss but was still a win for Faversham 5&3.

With matches coming thick and fast, Old Salts were at St Augustines Golf Club on Monday 20<sup>th</sup> June. The precipitation was extreme to say the least! But most teams ploughed on to the finish, the result was a well earned, very wet draw.

Thursday 23<sup>rd</sup> competition was cancelled due to heavy overnight rain .

After early rain on Thursday 30<sup>th</sup> it cleared to allow play. The Captain's Challenge was a win by 4 and 3 for Captain John Wegner and Vice David Atkins against Barry Broadbent and Colin Satchell.

The main event was the Hugh Ridley Trophy Medal , in first place was the very consistent John Allen net 64, second Peter Steigmann net 66 and third David Atkins net 66 on count back.

### **Joke**

A lady goes into a country sports store to buy a fishing rod for her husband but as she knows nothing about fishing she just grabs the first rod to hand. On arriving at the pay desk she sees an assistant wearing dark glasses and asks him if the rod she has got is a good one. The assistant replies that he is blind but can tell by the sound of the item dropping on the floor, exactly what it is. The lady being a bit dubious about this nevertheless drops the rod on the floor. The assistant immediately tells her that the rod is a Shakespeare graphite rod with a Peel matchcaster reel loaded with 10lb line and is on special offer at £25.00.

She is amazed and opens her purse to pay but drops her card on the floor. The assistant says that is an American Express Gold Card, she bends down to pick it up and accidentally breaks wind. Terribly embarrassed she is about to apologise when she remembers he is blind so wont be able to identify her.

The man rings up the sale and tells her that the bill comes to £37.50.

I thought you said the rod was £25.00 she remarks, it is he replies, the duck call is £10.00 and the catfish bait £2.50!
