

## **WHITSTABLE GOLF CLUB**

### **BUGGY POLICY**

#### **Introduction**

The purpose of this document is to establish a standard for the safe operation of all ride-on buggies used at Whitstable & Seasalter Golf Club. The document includes details of the reasonable adjustments necessary for golfers with a relevant disability, which will be introduced at times when use of ride-on buggies is otherwise prohibited. Also included are details of the conditions to be met when the Club considers applications to use a ride-on buggy from members.

#### **Qualifications**

Ride-on buggies are available for hire from the Club. Alternatively, members and visitors will be permitted to use their own ride on buggy, but they will be required to provide details of suitable insurance covering their use of the buggy on the course and within Club grounds. Members with or without a disability wishing to use a privately owned ride-on buggy on the course, should apply in writing to the Secretary and will be required to sign a Golf Buggy Safety Policy Acknowledgement Form, which forms part of this policy document. All members wishing to use a privately owned ride on buggy must hold a valid driving licence.

In order to satisfy the Club's obligations under the Equality Act 2010, it is necessary to consider and make reasonable adjustments if possible that permit golfers with a disability (as described within section 6 of the Equality Act) to use their privately owned ride on buggies when ride-on buggies might otherwise be prohibited for members without a disability.

The Club has determined that reasonable adjustment for golfers with a relevant disability requires permission to drive privately owned ride-on buggies on a special designated buggy route that keeps buggies on the rough away from fairways, tees and greens. This special designated route will be available for disabled golfers only and may be used when buggy restrictions for non-disabled golfers are in force. N.B. It is not deemed reasonable to permit this adjustment when extremely wet conditions prevail. At these times, all ride-on buggies and all trolleys will be prohibited.

Members with a disability who are seeking special permission to use their ride on buggies during wet conditions may be required to provide a certificate from their registered medical practitioner annually.

Any person who accepts the privilege of operating a ride-on buggy on the golf course is deemed by doing so, to have the knowledge, training and skill to safely operate their vehicle and be fully accountable for their actions and the consequences thereof.

The safe operation of ride-on buggies on the course requires conscientious application and adherence to the minimum standard of care prescribed by this policy.

Ride-on buggies must be operated in accordance with the requirements of the following documents:

- Golf Buggy Safety Policy
- Golf Buggy Safe Operating Practice
- Golf Buggy Safety Policy Acknowledgement Form.

In order that these conditions can be met in practice, the club must be given written prior notice of a requirement by a member or visitor to use a ride-on buggy. The Club reserves the right to refuse permission if a member fails to comply with all conditions required.

Individuals must notify the Club as soon as the medical justification for the use of a ride-on buggy is no longer applicable at which time authorisation will be withdrawn.

The Club also reserves the right to withdraw any buggy authorisation, if it believes the medical condition or disability necessitating the use of a ride-on buggy ceases.

In the interest of safety or the condition of the course, the Club may impose restrictions governing the use of the ride-on buggy on the course whenever in its absolute discretion it deems it appropriate to do so. This might apply to the whole or just part of the course when potentially unsuitable conditions are prevalent e.g. waterlogging, frost, etc.

#### **Golf Buggy Safety Policy**

The Club has a duty of care to all users of the golf course. The topography of certain areas of the course is such that caution and care must be shown by all users of ride-on buggies. It is also necessary for the Club to provide adequately safe means of access for all golfers including those given permission to use buggies. Moreover, the Club has to ensure the safety of golfers who do not wish to use ride-on buggies but who might be at risk from a mechanically defective ride-on buggy or its careless use. This duty of care also applies to members of the public using the various rights of way.

To assist the safe employment of ride-on buggies all potential users (members and visitors) shall comply with the following conditions:

1. Ride-on buggies must be operated with the utmost courtesy, care and consideration for the safety and convenience of pedestrians. Pedestrians must be afforded the right-of-way at all times.
2. In the interest of safety, and an associated risk assessment for each hole, it has been necessary to limit the ride-on buggy access to some areas. The Club will provide a map showing what access is available, the routes that must be used and highlighting any obvious dangers on the course. Individuals ride-on buggy users should refer to this map whenever they are using a ride-on buggy on the course.
3. Ride-on buggies must be operated and parked in such a manner that they do not impede or interfere with normal pedestrian or vehicular flow on roadways, ramps or pavements.
4. Ride-on buggy operators will be responsible for the security of the vehicle whilst in use on the course. They must prevent unauthorised use.
5. Whitstable Golf Club is responsible for providing buggies that are fit for use and correctly maintained. It is the responsibility of approved users to notify the office of any problems with a buggy owned by the Club.
6. Whitstable Golf Club has no responsibility for the maintenance of buggies owned and operated by individuals on or beyond the confines of the course and the Club car parks. Members and visitors who are operating their own buggies are responsible for ensuring that their buggy is fit for use and correctly maintained.

7. The Club will accept no responsibility for any loss, damage or injury caused other than that arising from the negligent use of a ride-on buggy by the club's servants or agents.
8. Maximum speed limit for ride-on buggies will be 15 km per hour on the course. Maximum Speed when using a ride-on buggy on any clubhouse path will be 5km per hour (walking speed).
9. Ride-on buggies shall be used only between dawn and dusk.
10. Ride-on buggies must be operated in compliance with the common` rules of the road` regardless of whether ride-on buggies are operated on pavements or roadways.
11. Operators must stop the buggy at blind intersections and proceed with caution.
12. The consumption of alcohol and/or the improper use of drugs are not permitted when using the Ride-on Buggy.
13. There may be occasional times relating to course conditions or weather, when the use of buggies may be suspended on the grounds of course protection or health and safety.
